- (b) This Franchise is granted under and in compliance with the Laws of Maine; the Cable Act and the rules and regulations of the FCC, and generally applicable local ordinances in force and effect during the period for which this Franchise is granted.
- (c) Subject to the terms and conditions herein, the Franchising Authority hereby grants to the Franchisee, the right to construct, upgrade, install, operate and maintain a Cable System in, under, over, along, across or upon the streets, lanes, avenues, alleys, sidewalks, bridges, highways and other public places under the jurisdiction of the Town of Shapleigh within the municipal boundaries and subsequent additions thereto, including property over which the Town has an easement or right-of-way. In exercising rights pursuant to this Franchise, the Franchisee shall not endanger or interfere with the lives of Persons, interfere with any installations of the Town, any public utility serving the Town or any other Persons permitted to use Public Ways and places.
- (d) Grant of this Franchise does not establish priority for use over other present or future permit holders or the Town's own use of Public Way and places. Any references herein to "Public Way" or "Street" shall not be construed to be a representation or guarantee by the Town that its property rights are sufficient to permit its use for any purpose, or that the Franchisee shall gain or be permitted to exercise any rights to use property in the Town greater than those already possessed by the Town.
- (e) The Franchise is intended to convey limited rights and interests only as to those Rights-of-Way in which the Town has an actual interest. It is not a warranty of title or interest in any Right-of-Way; it does not provide the Franchisee any interest in any particular location within the Right-of-Way; and it does not confer rights other than as expressly provided in the grant. Section 2.2-TERM OF FRANCHISE

The term of this Franchise shall be for ten (10) years, commencing on February 12, 2025 and expiring on February 11, 2035, unless sooner revoked or terminated as provided herein.

Section 2.3-NON-EXCLUSIVITY OF THE FRANCHISE

(a) This Franchise shall not affect the right of the Franchising Authority to grant to any other Person a franchise or right to occupy or use the Public Ways or streets, or portions thereof, for the construction, installation, operation or maintenance of a Cable Television System within the Town of Shapleigh; or the right of the Franchising Authority to permit the use of the Public Ways and places of the Town for any lawful purpose whatsoever. The Franchisee shall be subject to the jurisdiction of the courts of the State of Maine in any suit arising out of this Franchise Agreement except that this provision shall not limit the Franchisee's right to initiate a proceeding or to remove a proceeding to the United States District Court for the District of Maine.

If such removal is not complete within six (6) months after such termination, the Franchising Authority may deem any property not removed as having been abandoned and may dispose of any such property in any way or manner it deems appropriate. Franchisee shall not be required to remove its Cable System or to sell the Cable System, or any portion thereof as a result of revocation, denial of renewal, or any other lawful action to forbid or disallow Franchisee from providing Cable Service, if the Cable System is actively being used for the provision of a telecommunications or other lawful service. In the case of abandonment, the Franchisee shall comply with 30-A M.R.S.A. § 3008(3)(B), as it may be amended

The Franchising Authority shall complete review of the request for Transfer and make a decision thereto no later than one hundred twenty (120) days after receipt of the request for Transfer. If the Franchising Authority fails to render a final decision on such request within said 120 days, such request shall be deemed granted unless both parties hereto agree to an extension of time.

(e) For purposes of determining whether it shall consent to any such change of control and ownership, the Franchising Authority shall consider the legal, financial, managerial, and technical qualifications of the prospective controlling or owning Person to operate the Cable System.

(f) Any proposed controlling or owning Person or transferee approved by the Franchising Authority shall be subject to all of the terms and conditions contained in this Franchise.

Section 3.2-EFFECT OF UNAUTHORIZED TRANSFER ACTION

(b) If the Franchising Authority denies its consent to any such action and a Transfer has nevertheless occurred, the Franchising Authority may revoke and terminate this Franchise.

(c) The grant or waiver of any one or more of such consents shall not render unnecessary any subsequent consent or consents, nor shall the grant of any such consent constitute a waiver of any other rights of the Town.

Section 3.3-NO WAIVER OF RIGHTS

The consent or approval of the Franchising Authority to any assignment, lease, Transfer or sublease of the Franchise granted to the Franchisee shall not constitute a waiver or release of the rights of the Town in and to the streets and Public Ways or any other rights of the Town under this Franchise, and any such Transfer shall, by its terms, be expressly subordinate to the terms and conditions of the Franchise.

For purposes of this section, a home shall only be counted as a “dwelling unit”, if such home is unserved and within three (300) feet of the Public Way or fractional portion thereof (the “Density Requirement”). Service will be extended upon request to newly developed or previously excepted areas which later meet the density requirement. The Franchisee shall have the right, to be exercised in its sole discretion, to extend Cable Service to other parts of the Franchise area not meeting the density requirement. If the Franchisee fails to make such restoration within a reasonable time, the Franchising Authority may fix a reasonable time for such restoration and repairs and shall notify the Franchisee in writing of the restoration and repairs required and the time fixed for performance thereof. Upon failure of the Franchisee to comply within the specified time period, the Franchising Authority may cause proper restoration and repairs to be made, and the reasonable expense of such work shall be paid by the Franchisee upon demand by the Franchising Authority.

Section 5.6-TEMPORARY RELOCATION

Franchisee's System shall incorporate equipment capable of providing standby powering of the Headend for a minimum of four hours upon failure of commercial electrical power.

Section 5.14-NO INTERFERENCE WITH RIGHTS OF WAY

Except during temporary construction, installation, or maintenance activities, all lines, cables and distribution structures, and equipment, including poles and towers, erected, installed or maintained by Franchisee within the Town shall be located so as not to obstruct or interfere with the proper use of

Streets and Public Ways and to cause minimum interference with the rights of property owners who abut any of the said Streets and Public Ways, and not to interfere with existing public utility installations. Franchisee shall not place new poles, towers or other obstructions in Streets or Public Ways, or relocate existing poles, towers or other obstructions, without first obtaining the Town's approval, which approval shall not be unreasonably withheld.

(a) Tender or acceptance of any payment required herein shall not be construed as an accord that the amount paid is correct, nor shall such acceptance of payment be construed as a release of any claim that the Town may have for additional sums including interest payable under this Section 8.2. All amounts paid shall be subject to audit and recomputation by the Franchising Authority and shall occur in no event later than two (2) years after each quarterly Franchise Fee is tendered with respect to such fiscal year.
